RE: Threatening Retaliation To Derrick Holloway  
For Expressing His Right Not To Be Viewed by a Officer  
of the Opposite Sex While Showering

Dear Officer of the Court

Please bring this letter to the attention of the court  
that a Capt. Harrington a female, has threatening me with  
being moved into a disciplinary dorm for expressing my  
right not to viewed by a female officers, looking at me  
naked in the shower, in a well lighted area, on a raised  
platform less than 12 feet away. York v. Story, 324 F.2d 450  
(1963) and Grummett v. Rushen, 729 F.2d 491 (1985), surely  
set a standard, these are prison cases, convicted prisoners.  
In the County jail context we have presumption of innocence,  
these female guards have a open contempt towards all in-  
mates. And the administrator are using the kiosks has  
a unjustifiable restriction on our right of access to  
the courts. By not providing paper-copies of our complaints  
grievances, PREA violations. Now kiosks are being used  
to threaten inmates. Please investigate and see for your  
self. I am one of the three complaints on 1:21-cv-549  
Officer Hebert a female made open statements against  
us, and wrote a disciplinary case on me for  
1 of 2

stretching beside my bunk in a dorm setting which is a lie. I have been subjected to this type of behavior for 30 months have been to court 2 times in 30 months and have claimed my innocence from the beginning please just because I cannot afford bail, I am subjected to punishments that are protected by our constitutional and no one cares.

P.S. Could you forward a form for the summons local rule.

Thank You

Sincerely  
Devin Hall
